**Subject:** Rep. Goyke Assembly Joint Resolution Draft - \*\*\*\*RUSH\*\*\*\*\*

Mr. Miller-

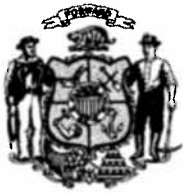

I hope this message finds you well. Rep. Goyke and 5 or 6 other members put together this language below to have an AJR introduced and passed next week to commemorate individuals for Black History month. Instead of doing one resolution for each, it is our understanding we can do one for multiple individuals. I have included our draft language below. I was advised by Senator Harris to put this in as a **Rush request** as the language is needed for the Assembly Rules Committee on Thursday. I apologize for the short notice, but wanted to get it to you right away. All the best to you.

- Ryan

Whereas, Lloyd Barbee was an attorney who founded the Milwaukee United School Integration Committee (MUSIC), fought with courage and dedication for the equality of all citizens, lead the initiative for the desegregation of Milwaukee Public Schools, and served as a member of the Wisconsin State Assembly from 1965 to 1977 representing portions of Milwaukee's north side.

Whereas, John Jefferson honorably served the United States of America as the Commanding Officer of the 8<sup>th</sup> Wisconsin Infantry Regiment and was wounded at the Battle of Vicksburg while leading brave Wisconsin soldiers in a struggle to preserve the Union and freedom for all Americans.

Whereas, Lauri Wynn served as the first female African American President of the Wisconsin Education Association Council (WEAC) from 1973 to 1976 , and continues to advocate to protect the rights of all children to have equal opportunities and education in public schools.

Mr. Miller-

I hope this message finds you well and thank you for your help. I have included below the draft language to be included in the AJR from Rep. Barnes. Could this be incorporated and then a Senate companion put together for Sen. Harris's office as well? Thank you for your help and guidance.

Mr. Miller-

Thank you. It is received and looks great. We will be having an addition of one more individual that I hope to have language from Rep. Barnes on. Things here have been a little confused on the session schedule as the Senate will now not be in session on the 12<sup>th</sup>, so we are now looking to have this on the floor possibly on the 20<sup>th</sup>.

If we could just keep this open until I have the additional language to add that would be great. Then we can go ahead and get both the Assembly and Senate version drafted and jacketed.

Thank you again very much for all of your quick work on this. Rep. Goyke appreciates it very much.

Mr. Miller-

Thank you again for your help. Rep. Goyke would also like a Senate companion version to be drafted and sent to Cindy McGinnis in Sen. Harris's office. I wanted to let you know before the draft was sent over. Thank you again so much for your assistance.

This seems incomplete. What would you like the resolving clause to say? If it is for Black History month, I can use last year's language. If it is something else, you'll need to tell me what the resolution should say.
